Candidate says they will consult students by creating a new committee or group	Someone states that they will "not do anymore photo ops"	Candidate runs out of Dewey's after losing	Candidate mentions sustainability, even though it's outside of their portfolio	Candidate raises their voice to make a meaningless point sound powerful
Candidates forget to take down posters after elections are over	Candidate gives class talks in every class you have on a given day	Someone says that they will "advocate" to the UCP	You vote	Campaign managers asks a pandering question at a forum
A candidate cries at a forum	Non-French-speaking candidate learns French for the CSJ forum	Free!	Candidate asks rhetorical question no one knows how to answer	Results night gets delayed due to campaign violation rulings
CSJ asks what candidates will do for the French campus	Candidate says they "understand the struggles of the everyday student"	Candidate uses governance abbreviation that no one knows	Someone says "read my platform to find out more"	Someone puts meaningless bullet points on their poster
You are harassed by an SU rep to vote in the elections	Someone says they'll fire the General Manager of the SU	Majority of forum attendees are campaign staff	Candidate goes over time at a forum	Someone says that they'll tackle deferred maintenance, but it's not in their portfolio
